This morning guest will have breakfast and travel to the Amboseli National reserve at the foot of snow-capped Mt. Kilimanjaro, Africa's highest peak. Guest will arrive around lunch hour at their accommodation. Guest will have leisure time and go on an afternoon game drive before dinner. Amboseli National Park is in southern Kenya. It's known for its large elephant herds and views of immense Mount Kilimanjaro, across the border in Tanzania. Observation Hill offers panoramas of the peak and the park's plains and swamps. Varied wildlife includes giraffes, zebras, cheetahs and hundreds of bird species. The western section is dominated by vast Lake Amboseli, which is dry outside the rainy season.

## DAY 3: AMBOSELI NATIONAL PARK AREA

Guest will wake up to a nice breakfast and then proceed on a full day of game drive. Amboseli National Park is in southern Kenya. It's known for its large elephant herds and views of immense Mount Kilimanjaro, across the border in Tanzania. Observation Hill offers panoramas of the peak and the park's plains and swamps. Varied wildlife includes giraffes, zebras, cheetahs and hundreds of bird species. The western section is dominated by vast Lake Amboseli, which is dry outside the rainy season.

### **Overnight: Amboseli Serena Safari Lodge**

Amboseli Serena Safari Lodge is located near Mount Kilimanjaro in the heart of Kenya's Amboseli National Park. The lodge offers 92 rooms which feature complimentary Wi-Fi, 24-hour room service and a private balcony. Hotel facilities include a swimming pool and sundeck, a gift shop, spacious interior bar with terrace, a campfire bar and bush BBQ area. Guests can also enjoy guided walks, bird-watching walks, dinner in the bush and Maasai dance performances in dedicated exterior bush BBQ area.

#### **DAY 4: AMBOSELI NATIONAL PARK TO LAKE MANYARA (291.9 KM)**

Guest will have breakfast and travel to the Lake Manyara National Park. And will arrive around lunch at the lodge. After lunch guest will head into the Lake Manyara National Park. This impressive park is one of Tanzania's most dramatically located wildlife areas, consisting of a massive but shallow soda lake (covering two-thirds of the park) at the foot of the Great Rift Valley's western escarpment. The park's varied habitat attracts a wide variety of animals, including one of Africa's largest concentrations of elephants, Manyara's famous tree-climbing lions, as well as large flocks of flamingos attracted by the algae in the lake.

#### **Overnight: Lake Manyara Serena Safari Lodge**

Standing high on the bluff of a dramatic ochre and terracotta streaked cliff above the flamingo-frosted expanse of Lake Manyara's gleaming alkaline waters, the Lodge commands panoramic views across the volcano-studded floor of the Great Rift Valley. Designed to reflect the brilliance of Lake Manyara's unique birdlife, the Lodge draws on an inspirational architectural motif that melds swooping avian curves with the gentle concentric patterns of traditional Maasai 'Bomas' (encampments) whilst the

vibrantly coloured frescoes lining the walls are designed to depict the colourful intricacy of bird migratory patterns. The ambiance of the Lodge is a fusion of lakeside tranquility, towering volcanic splendour and adventure-packed sporting activity. As to wildlife, the park offers abundant sightings of; monkey, jackal, mongoose, hyena, hyrax, zebra, hippo, warthog, buffalo, Masai giraffe, duiker, waterbuck and impala. Significant numbers of elephant are also resident in the Park whilst sightings of black rhino and leopard are not uncommon. Manyara is also especially noted for its wealth of bird life, being visited by many thousands of sugar-pink Lesser Flamingos, significant numbers of Greater Flamingos and a host of other woodland, plains and water birds

## DAY 5: LAKE MANYARA TO SERONERA (132.0 KM)

### **Accommodation: Serengeti Heritage Luxury Tented Camp**

Guest will have breakfast and drive to the Seronera region, in the central Serengeti, is set directly on the Great Migration route, and offers excellent viewing of this incredible annual phenomenon, when countless wildebeest flood across the plains. Arriving at serengeti and guest will go on a game drive to the camp.

## DAY 6: SERONERA

Guest will have breakfast and then go on a full day game drive to explore the serengeti Plain. The Serengeti national Park is very famous for its big five animals which are found in the area. The Serengeti National Park in Tanzania was established in 1952. It is home to the greatest wildlife spectacle on earth – the great migration of wildebeest and zebra. The resident population of lion, cheetah, elephant, giraffe, and birds is also amazing to have them around you during the game drive. After the game drive clients will depart to accommodation for dinner at Tanzania Bush Camp.

To Lake Manyara National Park as they are enjoying the game drive and after lunch guest will drive onto Karatu. Lake Manyara is a beautiful little park, which is famous for its tree-climbing lions, elephants and large troops of baboons. The park is home to an amazing variety of birds and animals considering its small size. A short visit to this serene park will greatly diversify your safari experience as the lush green jungle habitat is of stark contrast to the other parks you will visit during your safari"

### **Overnight: Serengeti Heritage Luxury Tented Camp**

Serengeti Heritage Luxury Tented Camp is located in the heart of Serengeti National Park, Seronera Area, and is a few minutes from Seronera Airstrip. The camps provide its guests with the most authentic African experience due to its colonial, old days hunter's camp ambience.

Sitting snugly in a clearing surrounded by Acacia trees, the 13 spacious walk-in tents creates an intimate atmosphere for only 40 guests while indulging them with the amenities of a big lodge, as all tents are equipped with running water, flush toilets, hot and cold water shower.

Guests can decide how they would prefer to spend their day at the camp and when to go for game drives in the Serengeti. In order to protect the environment, the camp runs entirely on solar energy in terms of electricity and hot water supply. A backup generator is only used to ensure electricity supply throughout rainy days.

## DAY 7: SERONERA TO MASAI MARA (184.2 KM)

Guests have breakfast and drive west to the Masai Mara Game Reserve. You will have the opportunity to enjoy your lunch on your way and arrive in time for an evening game drive.

The Masai Mara together with Tanzania's Serengeti form Africa's most famous wildlife park, the Masai Mara National Reserve. The image of acacia trees dotting endless grass plains epitomises Africa for many, then add a Masai warrior and some cattle to the picture and the conversation need go no further. The undeniable highlight of the Masai Mara National Reserve is undoubtedly the annual wildebeest migration traversing the vast plains of the Serengeti and the Masai Mara. Your dinner and overnight stay will be at a camp with hot showers and flush toilets.

**Overnight: Masai Mara Sopa Lodge**

## DAY 8: MASAI MARA NATIONAL RESERVE AREA

Guest will wake up to a nice breakfast and then proceed on a full day of game viewing within the reserve. The landscape here is scenic savannah grassland on rolling hills. The reserve is the best park for game viewing in Kenya as it has an extensive road and track network that allows for close range viewing and photography. Break for your picnic lunch by the hippo pool, looking out for resident hippos and crocodiles. Your dinner and overnight will be at the camp.

### **Overnight: Mara Serena Safari Lodge**

Secreted deep within the Masai Mara National Reserve, the Mara Serena Safari Lodge is the ultimate safari destination. Set high on a bush-cloaked hill, embraced by arcing vistas and washed by a sea of richly rolling grasslands, it stands centre-stage to one of Africa's most dramatic wildlife arenas and has a ringside seat for the greatest wildlife show on Earth, the legendary migration of the wildebeest. Drawing its inspiration from the traditional Maasai cultural motif of a cluster of domed, mud-colored huts encircled by a "Boma" of brushwood, the Mara Serena offers a rare blend of raw African splendor and sumptuous sophistication. The essentially ethnic décor also draws on a vibrant colour-palette of sun-burst colors, embellished by a unique selection of Maasai art to create the look and feel of a traditional bush encampment. The lodge features individual rooms, each with their own balcony and view of eternity, a sky-blue swimming pool and a spectacular restaurant, overlooking a water hole where a fantasia of creatures collect to drink.

## DAY 9: MASAI MARA NATIONAL RESERVE AREA

Guest will wake up to a nice breakfast and drive to the next lodge as they are on game drive. Masai It is known as the largest mass movement of land mammals on the planet – with more than a million animals following the rains. Large prides of lions, elephants, giraffes, gazelles and eland can also be spotted in the reserve. Aside from horse riding safaris and traditional vehicle safaris, hot-air ballooning over the Mara plains has become almost essential.

### **Overnight: Keekorok Lodge**

Keekorok is in the heart of the Maasai Mara National Reserve, in an area of permanent springs and lush grassland. Keekorok means abundance in the local Maasai language, and the area is often teeming with wildlife.

Accommodation comprises stone built, en-suite bungalows with private balconies. Most rooms overlook the Reserve and others look into the large garden. With spacious grounds, countless activities, a sparkling pool, fantastic food and a rich history as the oldest game lodge in the Maasai Mara, Keekorok is an unforgettable experience in the Maasai Mara.

## DAY 10: MASAI MARA NATIONAL RESERVE AREA TO SHABA GAME RESERVE (613.0 KM)

Guest will wake up to a nice breakfast and drive Shaba Game Reserve neighbouring the beautiful Samburu National Park in Kenya, Shaba National Reserve features the extinct volcano of Mount Shaba rising from the plains. ### **Overnight: Sarova Shaba Game Lodge**

Deep in the arid northern part of Kenya, situated across the Great North Road, is Shaba National Reserve which forms part of a trio of reserves quite different from the ones found in Kenya. Shaba takes its name from Mount Shaba (1525 metres), a volcanic mountain that became extinct around 5,000 years ago and lies on the border of the reserve.

In the middle of this desert of volcanic earth lies Sarova Shaba Game Lodge; Kenya's best kept secret. Built in an oasis around the natural terrain of this breathtaking volcanic desert, the Lodge is attractively laid out with chalet style rooms overlooking the Ewaso Nyiro River. Natural spring water has been harnessed to ribbon its way in and out all around the property creating a beautiful landscape. Coupled with the large free-form swimming pool that flows around the lush gardens and tall trees, all this refreshing water lends an almost magical feel to this natural oasis.

Sarova Shaba Game Lodge offers a unique experience that extends beyond game drives in the reserve. The lodge has a plethora of activities to indulge in, from bird watching to camel safaris, the viewing deck along the river, and feeding and watching crocodiles, making it a destination in itself.

On August 26, 2011, Sarova Shaba Game Lodge became the first game lodge within Shaba, Samburu and Buffalo Springs National Reserves to be connected to the national electricity grid. Sarova Shaba Game Lodge previously ran on a diesel-powered generator.
