As there is no accommodation at Sossusvlei, visitors to this desert wilderness are likely to end up staying at Sesriem, 65 kilometres away, where camps and lodges serve as a base from which to explore the dunes. Sesriem Canyon, a deep chasm carved through the rocks by water, is a striking natural feature of the area that is best explored on foot. Stony walls rise up sharply on both sides of the canyon, while birds roost in its crags and lizards dart along the ledges. The canyon's name was coined when early settlers used it as a water source, using six lengths of leather ('ses riem – six thongs) tied together to lower buckets into the water at the base of canyon.)

Swakopmund

Set along Namibia's spectacularly scenic coast, the seaside town of Swakopmund is known for its wide-open avenues, colonial architecture, and its surrounding otherworldly desert terrain. Founded in 1892 as the main harbour for German South-West Africa, Swakopmund is often described as being more German than Germany. Now a seaside resort town, Swakopmund is the capital of the Skeleton Coast tourism area and has plenty to keep visitors happy. The quirky mix of German and Namibian influences, adventure options, laid-back atmosphere and cool sea breeze make it a very popular Namibian destination. Visitors can look forward to a number of exciting activities including: quad biking, horse riding, paragliding, fishing, sightseeing and fascinating desert tours.

With its extensive, unique and creatively entertaining Restaurants, Bars, Deli, Lobby-Lounge, Sea Facing Terraces, Beach Kiosk and state of the art Conference &

Banqueting Center, all set on the Mole, a historic and iconic site surrounded by Ocean on three sides, the Strand Hotel Swakopmund is a social epicenter and destination in itself for all visitors to and residents of Swakopmund.

Its architectural inspiration finds its roots deep in Namibian-German history and reflects this in a tasteful contemporary manner. The interiors are residential in nature, and the brief to all designers involved was to create a non-hotel, hotel. One as charming and welcoming as the town it is located in. Simply very warm and comfortable, and as they say in German: “gemütlich” providing a genuine “sense-of-place” atmosphere adding to any Namibian visit.

Arriving at the Strand is a dramatic experience as one passes through its 13m high and 9m wide Ocean View Atrium which travels right through the Hotel offering sea views at either end. Off this Atrium Lobby is Reception, consisting of three individual desks and an inviting open fireplace which rounds off the residential feel and warm welcome.
