www.safariworldtours.com

TOUR DETAILS:

The Kokomo Safari takes you to the vast Kafue National Park and the pristine wilderness of Liuwa Plains National Park in Western Zambia. Here you will witness the second largest wildebeest migration in Africa. These national parks are just waiting to be discovered.

TOUR HIGHLIGHTS:

1. Master Guides - We've brought together extraordinary guides who have made an art out of tracking.
2. Un-habituated Wildlife - Game in remote areas is less used to human presence so you see true "wild" behaviour.
3. Avoid the Crowds - Nsefu Sector has only 2 lodges, Busanga Plains 2 lodges, compared to Mfuwe with 25+ lodges.
4. Jeep, Walking & Canoe Safaris - for the broadest diversity of game and a more intimate safari experience.
5. No Jeep Competition - You won't be part of 5-30 jeeps chasing a lion, as is now common in much of Africa.
