

SAFARI
WORLD TOURS

A cheetah is the central focus of the image, resting its front paw on a thick, weathered tree branch. The cheetah's golden fur is covered in dark, solid black spots, and its face has the characteristic black 'tear lines' running from the inner corners of its eyes. The background is a soft-focus savanna landscape with green bushes and trees. A yellow banner with white text is overlaid on the lower half of the image.
