### Fish River Canyon

Carving out an epic rocky wonderland in the south of Namibia, the Fish River has created Africa's largest and the world's second-largest canyon. Hot, dry and stony, the Fish River Canyon measures a whopping 160 kilometres in length, at times 27 kilometres in width and 550 metres in depth. The awe-inspiring natural beauty of this ancient geological marvel draws visitors from around the globe. For those looking for adventure, the intense 85 kilometre Fish River Hiking Trail through 1.5 billion years of geological history will definitely thrill avid adventure enthusiasts, and for visitors looking to relax, head over to the canyon's southern end to enjoy a soak in the mineral waters of the renowned hot springs of Ai-Ais, or take in the spectacularly scenic views from Hobas Restcamp as well as numerous other viewpoints along its rim. Other popular activities include: scenic chartered flights, horse riding, nature drives and seasonal kayaking.

---

### Overnight: Fish River Lodge [View iBrochure](#)

Fish River Lodge in southern Namibia is the only lodge perched directly on the rim of the Fish River Canyon offering guests breathtaking views of the canyon from sunrise to sunset.

Experience first hand the geological forces that unfolded 300 million years ago, when the Fish River began to etch its way through hard quartzite forming a Canyon 90 kilometers long, 549 meters deep and 28 kilometers wide in some places, making it the world's second largest Canyon. The 45 000 hectare Canyon Nature Park is a natural sanctuary for Karoo succulent flora and endemic wildlife.

Incredible hiking trails meander down into the heart of the canyon affording guests spectacular scenery combined with 75 km river frontage made up of permanent water holes and rock pools that attract Hartmans Zebra, Kudu, Oryx, Springbok and many other smaller wildlife species and endemic bird life.

---

### ***Quiver Tree Forest***

Some 14 kilometres from Keetmanshoop is a striking natural phenomenon that is well worth a visit: a natural forest of roughly 200 quiver trees, set on a large outcrop of blackish dolerite rocks. Named for the pliable bark that was once used by bushmen to craft quivers for their arrows, quiver trees are in fact not trees at all, but unusually large succulents with scaly bark and twisted branches topped with spiky, fleshy leaves. The most mature specimens here are between 200 and 300 years old, and some measure as high as nine metres. The forest, which was declared a national monument in 1955, is best viewed at sunrise or sunset, when the soft, warm light further enhances this already captivating sight.

### ***Fish River Canyon Viewpoint***

Located in Southern Namibia The Fish River Canyon is the largest canyon in Africa and draws many visitors each year. This viewpoint has a beautiful panoramic view of the canyon where visitors can witness the Fish River flow through sharp corners amidst rocky terrain.

### Overnight & Twyfelfontein Country Lodge

---

#### Twyfelfontein

Set in the Kunene Region of northwestern Namibia, Twyfelfontein is a spectacularly scenic area, featuring one of the largest and most important concentrations of rock art in Africa. The name 'Twyfelfontein' translates to 'Fountain of Doubt', which refers to the perennial spring situated in the impressive Huab Valley flanked by the slopes of a sandstone table mountain. It was this spring that attracted Stone Age hunters over six thousand years ago, and it was during this time that the extensive group of rock engravings and paintings were produced. Visitors can look forward to basing themselves at some wonderfully shady campsites along the Aba-Huab riverbed, while exploring over thirty different sacred ritual sites of the traditional hunter-gatherer communities.

---

#### Overnight: Twyfelfontein Country Lodge [View iBrochure](#)

Welcome to Twyfelfontein Country Lodge. A true landmark situated in the heart of one of the world's most magnificent wilderness regions. Declared a UNESCO World Heritage Site, Twyfelfontein in Damaraland is home to one of the largest collections of rock-art engravings found in Southern Africa. Not only did the Khoi-San and tribes of ancient years leave us with a true cultural heritage, but the whole area is characterised by natural wonders such as Doros Crater, Burnt Mountain, Organ Pipes, Petrified Forest and desert-adapted animals – of which the desert-adapted elephant is probably the most well-known species.

Nestled along the mountainside, the lodge beautifully blends in with its surrounding environment. Using natural stone, carefully selected paint colours and thatched roofs, its design compliments the sandstone rock formations with minimum visual impact on this picturesque landscape. Magnificent views from the deck over the Huab Valley, desert plains and distant mountains provide for hours of relaxed comfort, peace and tranquillity.

Twyfelfontein is much more than just accommodation; it is a destination in itself.

## Travel Information

Located in southwestern Africa, Namibia boasts a well-developed infrastructure, some of the best tourist facilities in Africa, and an impressive list of breathtaking natural wonders. Visitors can explore the capital of Windhoek and discover the lovely coastal town of Swakopmund boasting remnants of the country's German influence, reflected in the architecture, culture, cuisine and the annual Oktoberfest celebrations. To properly appreciate this extraordinary country, you will have to venture out of the cities to explore the remarkable natural landscapes Namibia has to offer. These include: the impressive Fish River Canyon; the vast Etosha National Park teeming with abundant wildlife, such as lions, desert-adapted elephants and the Hartmann's Mountain Zebra; the hauntingly beautiful Kalahari Desert; and of course the Namib Desert stretching for over 2000 km along the magnificent Atlantic Coast. Namibia is an ideal destination for travellers seeking an unforgettable African experience in a uniquely beautiful untamed wilderness.
