 $\frac{1}{2}$ Depending on the season one should focus on the central parts of the Etosha National Park around $\frac{1}{2}$ $\frac{1}{2}$ ☆Okaukuejo or the eastern area around Namutoni, as the larger herds and with them the predators ☆ \bigstar 🖕 move between the areas during the course of the year. Day 12: Waterberg Guest Farm, Waterberg Plateau National Park (400km) ☆

☆ ☆ After one last early game drive you exit the Etosha National Park. Hint: Before leaving, make a turn ☆ ☆ at Chudop and Klein Namutoni waterholes. This is often well worth it. ☆ ☆

☆ ☆On the way to the Waterberg via Tsumeb and Otavi two small highlights can be visited: the Otjikoto ☆ \mathbf{x} $_{\star}$ Lake (a collapsed kast cave, into which the German troops dumped a large amount of weapons and $\stackrel{\sim}{\star}$ $\frac{1}{2}$ ammunition from the Frist World War) and the Hoba Meteorite, the largest meteorite ever found unti ☆ ☆today. ☆ ☆ ☆

☆ ☆ You reach the Waterberg in the early afternoon. Enough time to go for a walk on one of the marked \checkmark ☆ $\frac{1}{2}$ hiking trails or to book a guided game drive offered by your accommodation. ☆ ☆

 \star Situated in north central Namibia and named for the springs that emanate from its foothills, the \star $\frac{1}{2}$ ★Waterberg Plateau National Park is a fascinating geological site featuring compressed sandstone ★ crags, 200 million-year-old dinosaur footprints, and petrified sand dunes. The area's natural water st sources make it far more fertile than its environs, and the park is blessed with a plethora of plant 🖈 and animal species, including leopards, rhinoceros, vultures, cheetahs, bush babies, ferns and fig 🖈 $\frac{1}{2}$ $rac{1}{4}$ trees. Visitors can enjoy a wide selection of activities including: learning about the local Herero $rac{1}{4}$ ☆ culture on an informative village tour, tracking rhino on a guided safari, exploring the Waterberg's ☆50-kilometre-long and 16-kilometre-wide sandstone plateau, dubbed 'table mountain', and catching ☆ ☆ \star a glimpse of the rare and endangered sable and roan antelope. ☆

☆ ☆Overnight: Waterberg Guest Farm

☆ Our guests are pampered in a style befitting the spectacular surroundings. $\frac{1}{2}$

☆ ☆ \star The original 1930s manager's house was converted into a guesthouse with 4 double and twin rooms, \star ☆ ☆ \star all with en-suite bathrooms. ☆

stThe spacious dining room is also located in the guesthouse, along with the comfortable lounge - the ☆ \star perfect spot to relax after a long day outdoors. ☆

☆ Guests can also soak up the atmosphere of the unspoilt African bush in our two secluded, luxury \star 'bush bungalows' situated 160 metres from the main guesthouse. The truly unique bungalows are \bigstar ☆ ★ ☆built according to the traditional Herero method using natural materials from the surrounding ☆ ☆mountains.

The traditional African grass-roofed "lapa" next to the swimming pool offers al fresco dining and a $\stackrel{\star}{}_{A}$ fully stocked 'honesty bar'. Here guests can sit on the wooden deck and watch the floodlit waterhole $\stackrel{\star}{}_{A}$ fas antelope, warthog and the occasional leopard come to drink, and in turn, be watched by our $\stackrel{\star}{}_{A}$ resident family of baboons.

 $\frac{2}{4}$ Our concept is simple - a small luxury guest house, accommodating a limited number of guests, set $\frac{4}{4}$ in the midst of a wildlife haven with personal attention, spectacular surroundings and exceptional $\frac{4}{4}$ cuisine.

Over dinner, your hosts can share their broad knowledge on numerous and diverse subjects ranging st from the local history and culture, wildlife and nature, conservation efforts and predator management ☆through to the realities of day-to-day life an operational Namibian on ranch. 🛧 Animals can be viewed on guided game drives through the rugged surrounding terrain in four-wheel $\stackrel{\bigstar}{\sim}$ drive vehicles, or just by sitting on the viewing deck at our floodlit waterhole. \bigstar

 $\frac{1}{2}$ And after a long day in the bush, there's nothing quite like relaxing with an ice-cold sundowner $\frac{1}{2}$ around the pool, watching as the setting sun illuminates the blood-red Waterberg Plateau.

Catering for only a limited number of guests also enables us to personalize your visit to suit the $\overset{\star}{}_{A}$ specific wishes of your group. Whether you're celebrating a birthday, anniversary or any other $\overset{\star}{}_{A}$ special occasion, we can customize your stay to ensure a truly memorable occasion.
