Travel Information

A nation of spectacular natural beauty, friendly people and rich culture, Zimbabwe's status as one of Africa's leading safari destinations was dampened for years by its political instability. But now that the country is transcending its strife and returning to a state of equilibrium, it is once again emerging as a vacation highlight of the continent. Victoria Falls – known to locals as 'The Smoke That Thunders' – is one of the seven natural wonders of the world and the sheer power of this massive body of water plunging into the Zambezi Gorge is awe-inspiring and unforgettable.
